Multiple District 40

Hello MD40 Lions Club Members!!

I am honored to be your Council Chair for the upcoming year. It is going to be a great year because we are going to have a NEW ATTITUDE!!! (D40N members will recall that from my District Governor term – yes we are gonna do it again!!)

“Yes if” vs “No because” – we are going to be a Yes if Multiple District this year. I am encouraging each and every club to do a SWOT Analysis with your club members. This will help you figure out where you are, where you want to go and how to get there. If you want to see our numbers increase, then we are going to need a NEW ATTITUDE and do something positive to make that happen. Our new LCI President, Fabricio Oliveira says “MAKE YOUR MARK!!”

During my term as District Governor, I had the opportunity to work with some of our great teachers in the District, Multiple District, surrounding states and several LCI leaders. They taught me many things, but the most important thing I learned was how contagious a positive attitude is. My “catch phrase” was from Ms. Helen Keller – “The only thing worse than being blind is having sight but no vision.” Let me (or any of our leaders) know what your vision is and how we can help you achieve that vision.

Let’s have a productive and growing year!!

In Lionism,

Linda Hite
MD40 Council Chair

Eye Bank News

The New Mexico Lions Eye Bank had a very busy year. The Eye Bank staff has been working hard recovering corneas and completing the processes to get the corneas prepared for transplant. We exceeded our expectations for the number of corneas recovered and provided for transplant.

The Eye Bank supports the Sight Saving Surgery program, which provides funds to pay for cataract surgeries for New Mexicans with financial hardship. We also support clubs statewide with grants for their projects. Contact us for information about these programs. If you are planning to visit the Albuquerque area this year and would like to see our operation, please give us a call to set up a tour.

The New Mexico Lions Eye Bank has been providing safe, high-quality corneal tissue to surgeons and their patients since 1962. Our Eye Bank reaches out to the community with innovative programs designed to increase awareness about the importance and need for donated corneal tissue for transplantation and research. Serving a population of nearly two million throughout the state the New Mexico Lions Eye Bank helps make people's final gift- "the Gift of Sight"- a reality.

The New Mexico Lions Eye Bank is an affiliate of CorneaGen, a network of eye banks whose single mission is to save sight around the world. CorneaGen ensures that all suitable tissue makes its way to a transplant recipient by distributing tissue that is not needed in our community to other areas of the U.S. and around the world.

Simply by signing up at www.registerme.org, you can touch dozens of lives as an eye, organ, and tissue donor. You can still indicate your wish to become a donor while at the Motor Vehicle Department on your driver's license or ID card. Now you can also go online and sign up. Your personal information will be kept secure and confidential. It will be accessible only to authorized organ and tissue recovery personnel.

Please visit www.nmleb.org to find out more about us.

NEW MEXICO LIONS EYE FOUNDATION

Make Your Mark

I want to thank all of the NMLEF Trustees that have served as Trustees over the years. It is due to your efforts that we continue to be able to Serve those in vision need. I would also like to welcome all of the new and returning Trustees and thank you for your willingness to carry on the mission to *Serve*.

The coming year is going to be a great year! The Application was updated, voted on, and approved at the last Council meeting. Thanks to the efforts of PCC Annie Miller, Lion Rita Graham and Lion Theo Brown, they made improvements to the application and the application process. Their efforts have made the process less cumbersome with the goal to help those in need with a timelier process.

Our fundraiser process was changed and resulted in a successful event. We look forward to this coming years' fundraiser event.

A committee will be assembled and will work to update the Constitution and By-Laws for NMLEF. The main focus is to bring it in line with the process of going to one District in New Mexico.

As we have Officers, Trustees, DGs, Legal Advisor, and the Medical Advisor, who live throughout the State, we will plan to have Zoom meetings between each Multi-Council meeting. This will keep everyone up-to-date on changes and allow for us to vote on any issues, separate from the Multi-Council meeting, that may come up. This will allow time at the Multi-Council meeting to complete our reporting.

We Serve

NEW MEXICO LIONS CRANE READING FOUNDATION

July 1, 2024

Dear Lions of New Mexico

It has been an honor serving as the President of the NM Lions Crane Reading Foundation (NMLCRF) and I am looking forward to serving in that capacity during 2024-2025. The slate of officers for this year will be Lion George Mulholland, President, Lion Virginia Crane, 1st Vice President, Lion Eldon Steelman, Secretary, and Lion George Mulholland will be the Acting Treasurer until we have a volunteer for the position.

As most of you are aware, the mission for the New Mexico Lions Crane Reading Foundation (NMLCRF) is to have every student in New Mexico reading and writing proficiently. This means that by second grade every student should be reading at least 200 words per minute with good comprehension and be able to write legibly. While adequate progress is being made, we need more volunteer help if this goal is to be achieved in the near future. If you would like to volunteer, please contact either Lion Cathy Waters or me at the contact information given below and we will give you details on how you can become involved.

The Reading Program as formulated by Lion Allen Crane and Lion Virginia Crane is an eight-component integrated program that combines the latest computer technology with several other important activities. These include 1) desk height adjustment; 2) use of templates; 3) eye examinations and prescription lenses; 4) Gross motor skill development; 5) reading practice using computer programs; 6) allergy management; 7) writing composition; and 8) proper placement and remediation of new students. However, with the limited number of Lions involved in the program, we are limited to items 3,4, and 5 given above. The computer programs are available through the Mindplay Corporation in Tucson, AZ. The Plusoptix S09 Photoscreener, a state-of-the-art eye screening instrument, is our instrument of choice for eye screening.

During this current year we are scheduled to establish Reading Labs at Lynn Middle School, a community school in Las Cruces, and Booker T Washington, an elementary school in Las Cruces. The officers and Directors of the NM Lions Crane Reading Foundation look forward to working with Lions Clubs through the State as we strive to attain our goal of having our students rated among the top 10 states in reading proficiency. For information on how to set up a Lions Crane Reading Program in your community please contact either Lion Cathy Waters (575-640-5020) or Lion George Mulholland (575-312-1316).

In Lionism,
George Mulholland

New Mexico Lions Operation KidSight, Inc.

Thanks to the hard work by the 24 NM KidSight screening teams, almost 27,000 students were screened in 2023-24 resulting in over 6,900 children being identified with a possible vision problem. In addition, the NMLOKS voucher programs provided over 421 3-18 year old students not covered by Medicaid or insurance with eye exams and/or glasses. The NMLOKS Spare Pair Program was expanded across NM by screening teams to provide a free pair of glasses to students who have lost or broken theirs or they never bring them to school resulting in over 1,700 students receiving glasses in 2023-24.

NMLOKS would like to extend our sincere appreciation to those Lions Clubs who were able to make a contribution to KidSight this last year. Without your support, the KidSight Central Office would not be able to function.

District 40N

Dear Lions of 40N,

I am coming to you from the middle of the very east side of the State. A great big ROAR and a friendly howdy! The only way I know how to get the information to you that you need is to shoot straight so here goes!!!

I am looking forward to a wonderful year. It will be our last year as 40N before we transcend into one District. So, I want all of us to make good headway on membership and new clubs as well as getting as much training out to our people as possible.

This is where the rubber meets the road. A lot of us are aging out, so we must be adding new members, and Clubs, to keep Lions alive in New Mexico. As I look at all we have accomplished, I know that we have Served our communities in many ways, but we must be sure to report it! We also need to have a media presence to let people know that we are here, and we are getting things done! We no longer want to be the “Best Kept Secret!”

When you are out and about, be enthusiastic about what Lions are doing and people will be drawn to joining you. Put some fun back into all that you do, and people won't be so likely to tire of the meetings, projects, and all we do. Stay positive and helpful and remember to mentor your new members!

Invite people to join us in our projects and fundraisers so they can see for themselves how wonderful it can be to Serve our community.

If we all do our part, New Mexico will thrive, and Lions will be a huge part of that. Get ready for a new year and hang on to your hats! We're meeting it head on!!!

Sincerely,

Ethalyann Tollett

District Governor
District 40S
Lion Gary D. Scott, Jr.
2024-2025

Greetings fellow Lions & Leos:

I am truly humbled for this amazing opportunity to serve alongside each of you this year as your 2024-2025 District Governor from D40S. What a remarkable experience it was to attend the International Convention in Melbourne, Australia in June and get to share that special installation moment with not only my wife Lion Renee, but also my fellow district governors from around the world and especially the new friendships established from our training Group 34 members known as the “Normads of the Wild West” in reference to our esteemed leader Norm McDaniel.

Our new International President Fabricio Oliveira from Brazil stressed that service defines who we are, stressing it is the very reason we exist as a global organization, and it is the mission that unites us. When we serve, we make an impression in the hearts and lives of the people we serve. It is the mark of compassion and kindness. It is the mark of a Lion, a mark that gives encouragement to our communities and hope to the people we serve. That is the preface of His presidential theme for the coming year “Make Your Mark”.

There’s a leader inside every Lion. When we demonstrate that through collaboration and individual commitment, we can inspire and empower those around us. As leaders, we unite people through our clubs and in our mission of service. To make our mark, we all must step up in our clubs and our communities and reach out to the people who need us. We must amplify the voices that would otherwise go unheard and realize that diversity is not only going to grow our membership but broaden our footprint and increase our impact through more opportunities. We must change lives in the way only Lions can because with every life we touch, with every community we serve, we make a mark that will endure and not be forgotten.

One of the most important ways we can make our mark is by growing our clubs and district. Imagine how many more lives we could change together. When Lions work together, we can achieve great things. Our work as Lions is extraordinary, so act when you see a need and let your service be an inspiration to others to join us as Lions.

Respectfully,

Lion Gary D. Scott, Jr.

District Governor D40S

{ TC “C. B. \”Hap\” Byer Award” \f C \l “1” }The Melvin Jones Fellowship Award

The Melvin Jones Fellowship is the backbone of LCIF, providing 70 percent of the foundation's revenue. A recognition of humanitarian work, an MJF is awarded to those who donate \$1,000 to LCIF or to people for whom a donation was made by others. Melvin Jones Fellows receive an attractive lapel pin, a plaque, and a congratulatory letter.

Melvin Jones Fellows who make additional \$1,000 donations to LCIF, or in whose name \$1,000 donations are made, become part of the Melvin Jones Fellowship Progressive program. Progressive Melvin Jones Fellows are awarded a new lapel pin and congratulatory letter for each subsequent \$1,000 donation. (The first lapel pin is a one-diamond yellow gold pin. For each \$1,000 donation thereafter, another diamond is added to the pin.)

To apply for a fellowship, complete the [MJF Application form \(LCIF-42M\)](#). For the recognitions available, download the [LCIF Recognition Programs form \(LCIF-42R\)](#). Contributions can be made by individuals (including non-Lions), clubs, or districts. Contributions can be made in one sum, or in installments of a minimum of \$100 over a five-year period. It is possible to make a donation and choose the MJF recipient later. Write “Melvin Jones Fellow to be named later” on the check or bank draft.

When an individual's or groups of individuals' personal donation(s) are accumulated for a club's use to select a Melvin Jones Fellowship recipient, LCIF needs the signed consent of the donors. When a club's donation(s) are accumulated for a fellowship recipient to be selected by the district, LCIF needs the signed consent of the club. Please include such documentation with the completed MJF application that is sent to LCIF Donor & Financial Services.

Melvin Jones Fellows are honored each year at the Melvin Jones Fellow Luncheon on Thursday during the [International Convention](#). The luncheon also typically includes a presentation of awards to 100 percent Melvin Jones clubs and to individuals who have supported LCIF and the showing of a LCIF video.

MJF FAQs:

- The Fellowship was established in 1973 and the Progressive program began in 1986 in response to Lions' request for a way to extend their commitment to LCIF.
- Donations through MJFs provide 70 percent of the Foundation's annual revenue.
- There are 100 levels in the Progressive program.
- Most of the funds raised during the first Campaign SightFirst were through MJF donations.
- There are 259,600 MJFs worldwide and 43,900 PMJFs
- The MJF luncheon began in 1984 and has been held at each convention since
- All MJFs are invited to the annual luncheon and their names are on a rotating computer list of donors in the MJF room at International Headquarters

- The MJF is LCIF's highest honor

Non-Sectarian Invocation

Oh, Heavenly Father
 We thank Thee for food and
 Remember the hungry.
 We thank Thee for health and
 Remember the sick.
 We thank Thee for friends and
 Remember the friendless.
 We thank Thee for freedom and
 remember the enslaved.
 May these remembrances stir us to
 Service, that Thy gifts to us
 May be used for others.

Lions Prayer

Where Lions meet, be present, Lord.
 Weld our hearts in one accord.
 To do Thy will, Lord
 Make us strong,
 to aid the weak
 and right the wrong.

Lions Pledge

I pledge allegiance to my country and

to the cause of peace throughout the world.
I believe in the principles of Lionism
as contained in the Lions Code of Ethics.
I am proud to be a Lion
dedicated to the service of others.

Lions Code of Ethics

To show my faith in the worthiness of my vocation by industrious applications to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and be true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To hold friendship as an end not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To aid others by giving sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticism and liberal with my praise; build up and not destroy.

Lions Objectives

To create and foster a spirit of understanding among peoples of the world.

To promote the principles of good government and good citizenship.

To take an active interest in the civic, cultural, social, and moral welfare of the community.

To unite the clubs in the bonds of friendship, good fellowship, and mutual understanding.

To provide a forum for the open discussion of all matters of public interest; provided however, that partisan politics and sectarian religion shall not be debated by club members.

To encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works, and private endeavors.
